

## Spring 2024 Education Internship Flathead Lake Biological Station

Teach K-12 students about Flathead Lake and its surrounding watershed.

Join the education and outreach team at the Flathead Lake Biological Station in conducting fun and informative field trips for K-12 students to the Bio Station this spring.

We are looking for a Flathead Vally Community College student with a passion for teaching about the local environment and our ecosystem.

**When:** April 1 - June 7, 2024

**Where:** Flathead Lake Biological Station, MT

**Time:** 20-25 hours per week

**Compensation:** \$14.50 per hour

**Application due Feb. 20, 2024:**

Apply through Handshake *or* send cover letter, resume & 2 references to Stephanie Hummel at [stephanie.hummel@flbs.umt.edu](mailto:stephanie.hummel@flbs.umt.edu)
