Paid Summer Internship (40 hours per week)

Job Title: Education and Outreach Assistant

Compensation: \$8.50 per hour plus room and board (valued at \$2500)

Dates: June 24- August 16, 2019

Internship Description:

This intern will be working with FLBS personnel to:

- assist with the current education and outreach efforts at FLBS which may include developing and delivering education material for the local public from children to adults, assisting with logistics, planning and execution of outreach events at FLBS and other local venues

The internship will provide opportunities to:

- hone public speaking, presentation, teaching and management skills especially in relation to translating environmental science research to the K-12 community.
- learn about other institutions and organizations promoting environmental and science education in the region.

Qualifications:

- Demonstrated interest and background in life and/or environmental science; interest and background in education, experience working with school-age children, interest in careers in teaching or environmental education
- Must be a continuing undergraduate student

How to Apply (application deadline: March 1, 2019):

UM students: use Handshake; search for Flathead Lake Biological Station

Non-UM students send a cover letter, resume including contact information for a reference to Monica Elser at monica.elser@flbs.umt.edu
