## **Summer Session Assistant (40 hours per week)**

**Job Title:** Summer Session Assistant

**Compensation:** \$8.65 per hour plus room and board (valued at \$2500)

**Dates:** June 8- August 14, 2020

### **Position Description:**

This position will include:

- assisting the summer session staff with a variety of activities related to teaching the summer field courses at FLBS
- assisting the summer session faculty with preparing a variety of course material
- assisting the summer session faculty on field trips as needed, including packing and being responsible for field sampling gear.

### **Qualifications:**

- Minimum requirements include the completion of at least 2 total semesters in biology, chemistry, environmental science, or equivalent including laboratory instruction.
- Preference will be given to students who have demonstrated proficiency in laboratory portions of their major program.
- Must be able to hike up to 10 miles a day in remote locations with field sampling gear

**How to Apply** (application deadline: February 28, 2020):
