

Presentation Worksheet

As you read your assigned article and view the short video, take notes to answer the following questions for your group's two-minute presentation:

Article: _____

1) Summarize the article/video and present key points:

2) Discuss the economic or other impacts of AIS on this group of people:

3) Provide one example of how this stakeholder (community members) relates to your life.

As you listen to the presentations, list one or two things you learned about each stakeholder:

AIS Impacts on Fishing

AIS Impacts on Infrastructure: Electricity Generation

AIS Impacts on Agriculture

AIS Impacts on American Indian Communities

AIS Impacts on Homeowners

AIS Impacts on Watercraft Users
