

# EARTH DAY ART PROJECT SUBMISSION FORM:

Name:

Student Project #

---

Due Date:		
Finished?	1.) <u>Complete this form</u> and submit it to your teacher. 2.) <u>Take a photo</u> of your Earth Day Art Project and submit it to your teacher.	
Project Title	Give your project a cool title!	
Project Description	Describe in two or more sentences what you chose to visually represent as an everyday action you can take, or adapt, around your home, community, or the Flathead Watershed to make Earth healthier.	

Thank you for participating in the Flathead Lake Biological Station's (FLBS) Earth Day Art Project!

All submissions will be (1) put into a virtual gallery and displayed on FLBS's website and (2) all submissions will be entered into a raffle with a chance to win some FLBS swag! The virtual gallery and raffle will be announced on 05.13.2020.

*\*Student projects will only be shared online with their first name and grade they are in, no other information will be shared with their project.*
