Paid Summer Internship (40 hours per week)

Job Title: Education and Outreach Intern

Compensation: \$9.20 per hour plus room and board (valued at \$2500)

Dates: June 20- August 12, 2022

Internship Description:

This intern will be working with FLBS personnel to:

- assist with the current education and outreach efforts at FLBS which may include developing and delivering education material for the local public from children to adults and assisting with logistics, planning and execution of outreach events at FLBS and other local venues

The internship will provide opportunities to:

- hone public speaking, presentation, teaching and management skills especially in relation to translating environmental science research to the K-12 community.
- learn about other institutions and organizations promoting environmental and science education in the region.

Qualifications:

- Must be a continuing undergraduate student
- Demonstrated interest and background in life and/or environmental science; interest and background in education, experience working with school-age children, interest in careers in teaching or environmental education
- Must have a valid driver's license

How to Apply (application deadline: Feb 27, 2022):

UM students: use Handshake; search for Flathead Lake Biological Station

Non-UM students: send a cover letter, resume, and contact information for two references to Monica Elser at monica.elser@flbs.umt.edu
