## Summer Session Assistant (40 hours per week)

**Job Title:** Summer Session Assistant

**Compensation:** \$9.20 per hour plus room and board (valued at \$2500)

**Dates:** June 6- August 12, 2022

### Position Description:

This position will include:

- assisting the summer session staff with a variety of activities related to logistics and teaching summer field courses at FLBS
- assisting the summer session faculty with preparing a variety of course materials
- assisting the summer session faculty on field trips as needed, including driving vehicles (SUVs and minivans), packing and being responsible for field sampling gear.

### Qualifications:

- Minimum requirements include the completion of at least 2 total semesters in biology, chemistry, environmental science, or equivalent including laboratory instruction.
- Preference will be given to students who have demonstrated proficiency in laboratory portions of their major program.
- Must be able to hike up to 10 miles a day in remote locations with field sampling gear.
- Must have a valid driver's license and a good driving record.
