Paid Summer Internship (40 hours per week)

Job Title: Ted Smith Internship in Environmental Storytelling

Compensation: \$10.00 per hour plus room and board (valued at \$2700)

Dates: June 19- August 11, 2023

Internship Description:

- This intern will be working with FLBS personnel to help the Bio Station tell our scientific stories to a broad range of audiences.
- The internship will provide opportunities to: learn about the breadth of research at FLBS, and gain experience in the communication of specific science and its importance to the public through a variety of media outlets.

Qualifications:

- Have completed at least one year of UM's Environmental Science and Natural Resource Journalism graduate program. UM undergrad with a focus on journalism may be considered
- Must be a journalism graduate student or continuing undergraduate at the University of Montana

How to Apply (application deadline: Feb 17, 2023):

Send a cover letter, resume, unofficial transcript, and writing samples to Tom Bansak at tom.bansak@flbs.umt.edu
