Paid Summer Internship (40 hours per week)

Job Title: River Biogeochemistry Assistant

Compensation: \$10.00 per hour plus room and board (valued at \$2700)

Dates: June 19- August 11, 2023

Internship Description:

- This intern will be working with FLBS personnel to estimate controls on dissolved organic carbon breakdown using stable isotope methods
- The internship will provide opportunities to learn cutting edge chemical analytical methods combined with fieldwork on Flathead River

Qualifications:

- Must be a continuing undergraduate student
- Prefer major in chemistry, biology or related field

How to Apply (application deadline: Feb 26, 2023):

UM students: use Handshake; search for Flathead Lake Biological Station

Non-UM students: send a cover letter, resume, and contact information for two references to Monica Elser at monica.elser@flbs.umt.edu
